Subject: RE: Nevada MSCA Grant First Quarter Report

Hi Rebecca,

I have reviewed the 1st Quarter SFY-18 performance report for the MSCA grant #99T28801. For the CRMS section, the report satisfies the requirements for the quarterly performance reports. However, the Anaconda section is incorrect. The Anaconda section reports the work performed for the 1st quarter of the previous fiscal year (SFY-17). It needs to report the work performed for the 1st quarter of the current state fiscal year (SFY-18, July to September 2017). Please revise and resubmit. I have attached both reports for your reference.

I would also like to remind you that pursuant to Programmatic Condition P.3, Performance Reports are due 30 days after the end of each quarter, so your 2nd quarter report for SFY-18 is due January 30.

Thank you very much for your attention to these matters. Please let me know if you have any questions.
